

This quiz is played using Kahoot! The game can be setup and started on a computer (if the host wants to play) or on a smartphone (the host cannot play). Other players can use either computers or phones. The game can be played alone or with as many as 10 players

To play on a smartphone, you need to install the Kahoot! application.

Check the section relevant to you to find out how to play the game. Your options are:

[A\) One player, on a computer](#)

[B\) One player, on a smartphone](#)

[C\) Multiple players, computers only](#)

[D\) Multiple players, computers and smartphones](#)

[E\) Multiple players, smartphones only \(host can't play\)](#)

A) One player, on a computer:

Click on the link below to activate the game

<https://create.kahoot.it/share/biu-sem-quiz/f025923b-95a1-4bad-971b-58e3f9bec733>

Play as guest

Continue as guest

Set the game:

To change the settings of the game, click on the button 

To see questions and answers on the same screen: activate the button to show questions and answer

If you are going to play several rounds, activate Randomize order of questions and order of answers

Also activate Autoplay (if you don't, you will have to press Next to advance to the next questions)

Close the panel

Choose Classic mode

Copy the Game PIN

Open a new browser window, and go to the webpage kahoot.it (<https://kahoot.it>)

Paste the PIN, Enter

Create a nickname, then click OK, go!

Your name will appear at the bottom of the screen

Wait a few seconds for the game to start

When finished, either wait for the game to restart automatically to play again or close the two kahoot webpages.

B) One player, on a smartphone:

Open the Kahoot app on your phone
Press on Discover at the bottom of the screen
Search for BIU_SEM_Quiz, and select the game
Press Play
Select Preview
Enter a name in the box
Click OK, go! to start the game
Choose an answer for the 1st image
Press next to view the score
Press next to move to the next image

When finished, either wait for the game to restart automatically to play again or close the app and the kahoot webpage.

C) Multiple players, on computers only:

One player (host) needs to be the host and activate the quiz.
Other players need to open a web browser to <https://kahoot.it>

Host:

Click on the link below to activate the game

<https://create.kahoot.it/share/biu-sem-quiz/f025923b-95a1-4bad-971b-58e3f9bec733>

To see questions and answers on the same screen: activate the button to show questions and answer

If you are going to play several rounds, activate Randomize order of questions and order of answers

Also activate Autoplay (if you don't, you will have to press Next to advance to the next questions)

Close the panel

Choose Classic mode

Copy the Game PIN and give the Game Pin to other players

Host and players:

Open a new browser window, and go to the webpage kahoot.it (<https://kahoot.it>)

Paste the PIN, Enter

Create a nickname, then click OK, go!

Your name will appear at the bottom of the screen

Wait for the game to begin

When finished, either wait for the game to restart automatically to play again or close the app and the kahoot webpage.

D) Multiple players, computers and smartphones

One player (host) needs to be the host and activate the quiz. If on a computer, the host can activate the game and also play. If on a smartphone, the host can only activate the game. The other players on a computer need to open a web browser to <https://kahoot.it>, while those on a smartphone need to install and open the kahoot application.

If the host is on a computer

Activates the game by clicking on the following link:
